Who are you?

The Bushe Pilots Association, BPA, is a limited company set up by the pilots who own and operate their aircraft at Blackbushe in response to an increasing demand for a stable facility and club atmosphere. Set up in 2005 we started off running both the bar and café and commenced an extensive refurbishment scheme.

Our mission is to provide a coherent club feel to the café facility and liaise with the airfield management and the two training organizations to fully involve everyone and make the bushe café the centre of Bushe goings on!

What's in it for me?

Apart from the ongoing refurbishment scheme, your subscriptions pay for all the benefits detailed overleaf including member only benefits such as up to 40% discount on goods from AFE flight equipment. You could save your subs on charts, whizzwheels and necessities alone! In addition BPA and provide the wi-fi and television. As an inclusive social organization we organize various events throughout the year.

The premises is open to the public but BPA retain control, hold the full licence and our current assets include all the furniture and some bar equipment. Members have a say in all improvements, events and further benefits.

How much is it?

BPA is free to join and the annual subs are currently £30.00

The more members we have, the more we can do to improve your club so come on, join now!

More about the Bushe Pilots Association

About Us

BPA is a non profit making association incorporated and run by volunteer members who are predominantly Blackbushe based pilots but membership is open to all.

We are dedicated to providing a club atmosphere with licensed bar, catering and social events for members their guests and visitors to Blackbushe Airport. The club room is part of the Bushe café and is open airport hours with an extension on Friday for "club night" and weekend evenings.

Strong membership will of course lead to more benefits. We are undergoing a refurbishment programme which is well underway and is ongoing so extra members will speed up the work!

The bar and catering facility is, of course, open to all and is part of our agreement to provide the facility to other users of the airport and visitors. In return we currently do not have to pay rent on the premises. This is why membership is set at a very reasonable £30.00 per annum.

We organise regular events such as monthly "Flying Table meetings on weekday evenings where a guest speaker makes a presentation on a flying related matter. We also organise fly outs including several evening fly outs to various destinations including the famous Thursday curry nights at Leicester airfield.

We also have a Summer and Christmas party which is always well attended with live music and dancing.

Other events include fly ins like the Bushe Bashe in 2007. Although rather wet we did have a spirited display from a Nanchang out of White Waltham and collected over £3,000 for local charities.

Membership subscriptions are £30 for single membership or £60 for family membership which covers both spouses and all their children.
